

Operation Bibbidi Bobbidi Boo

As a small business owner I feel it's very important to give back to the community that helps support our growing business. By pulling together my resources along with the help of a few other local business owners for alterations and prom day hair and make up services, I've created Operation Bibbidi Bobbidi Boo. OBBB helps dress a qualified local high school senior who may otherwise have not been able to go to her senior prom due to the lack of financial resources. Essentially we are the Fairy Godmother for our very own Cinderella! With your help, we can together find a "Cinderella" deserving of the benefits from this program so that they can create special lifelong memories to add to their senior year!

OBBB Details and eligibility:

1. Only one (1) qualified high school senior girl from each participating Ross County Ohio high school under unfortunate circumstances that may prevent her from attending her senior prom
2. Senior female candidate only
3. Recipient is to be nominated by her high school Guidance Counselor or Principal
4. No repeat participants
5. Recipient will be given a formal gown, alterations, a few accessories along with prom day hair and makeup service
7. Recipient will be required to sign a contract stating they too will use this gown, not for resale after prom, but to pay it forward by also dressing someone for a future prom (With this idea I am trying to instill the positive actions of giving back and doing for others.)

It's requested of the high school to provide one prom ticket for the recipient to continue with this pay it forward program.
